About the Rafferty's Theatre:

The Rafferty's is a multi-use performance space with a flex-able seating system which allows a number of seating configurations. The seating is also completely removable from the space. The Rafferty's has a fixed lighting grid.

The seating capacity depends on the configuration chosen by the hirer.

The standard configuration of the Rafferty's Theatre is end on mode with approx 100 seats.

The venue is hired as a flat floor performance space.

NOTE: Hirer's should note that all departures from standard configurations with lighting, sound, drapery or seating can involve a labour component with resultant costs which are charged to the Venue Hirer. If you are unfamiliar with this practice of charging labour you should phone the Business Manager (02) 8839 3398.

GREENROOM

A Greenroom is located upstairs between dressing rooms 4 and 5. There is boiling water, chilled (or room temperature) filtered water, a microwave, comfy lounges, dining table and visiting companies fridge available.

The Greenroom is a shared space for all visiting companies and crew.

Soft drink and confectionary vending machines are located in the courtyard outside the exit doors near the laundry.

PARKING

Four parking places only are available for Lennox cast and visiting crew.
Notification of the drivers' names, vehicle type and registration must be sent at least 2 days in advance of the companies arrival. The nearest parking station, off Phillip Street, behind Brand Smart, is 5 minutes easy walk from the theatre.

BACKSTAGE ACCESS

All cast and crew MUST enter and exit via Stage Door which is located off the car park near the corner of Market and Marsden Streets.

Riverside Theatres has a no visitors backstage policy. We apologise for any inconvenience however it is for the safety of the performers that this policy exists.

Stage Door's telephone number is (02) 8839 3360.
